A nationwide online directory of organisations, practitioners, traders, educators and individuals.

Wouldn't it be a good idea if like-minded people could easily find the resources and contacts they need?

If you were new to an area and wanted to find an ethical financial adviser, whole food store, holistic coach, meditation group or sacred site - it would be good to have a one-stop resource.

This is what we are building on HolisticMap.

We are a non-profit organisation dedicated to the highest values of human rights and sustainability; and we welcome and celebrate diversity of culture and belief.

Join HolisticMap. Help create a network of resources that supports everyone.

Absolutely free...Good for the planet.

“The spirit of human solidarity and kinship with all life is strengthened when we live with reverence for the mystery of being, gratitude for the gift of life and humility regarding the human place in nature.” The Earth Charter
